RE: Motion to Review Magistrate's Decision on Stay of Proceedings  
Court Case No.: 2:17-cv-355/2:17-cv-1128

Dear Judge Pepper:

Previously, I submitted a brief outlining the plaintiffs' position with respect to the Motion to Stay filed by Armor and three individual Milwaukee County Jail employees.

The Decision of Magistrate McDuffy is the correct decision, and submitting another brief would be unnecessary and time consuming.

The individual plaintiffs reassert their original arguments that granting a stay would be inappropriate and unlawful. The plaintiffs also adopt the brief filed by the Estate of Terrill Thomas, file number 2:17-cv-355, that is consolidated with file number 2:17-cv-1128.

Respectfully submitted,

Walter W. Stern III
